De-matting service	If your dog has matts or tangles, we offer de-matt services at our discretion, as we always choose humanity over vanity!	\$2 per minute	
De-shedding or undercoat removal	Is your dog leaving hair all over your house? Is your shedding dog hot? We can remove your dogs undercoat through a specialized service of brushing, raking, and conditioning. This is healthier for your dog than shaving them.	\$15-40 depending on time spent, and condition of coat. Ask for an estimate in person!	
Hand stripping	For wire coated breeds this is the process of plucking out the old dead hair so that new healthy hair can grow in its place. Specialized service, must have pre-groom assessment	\$85 per hour	
Deep conditioning treatment	Some coats get dry just like our heads! Is your dog getting tangled all the time? Maybe looking a bit frayed? We will condition your dog for 5 minutes while giving them oodles of attention.	\$15	
Teeth brushing	Does Fido need some fresh breath? Buy one of our toothbrushes or bring your own!	\$15 for first time with purchase of toothbrush \$10 additional	
Anal gland expression	Is your pup scooting on the rug? We can express those glands for you! We do recommend using the vet for any abnormal discharge.	\$15	
Difficult dog training	Does your pup hate being groomed? We work together with our day care staff to help dogs who need extra help being groomed in a humane and safe manner.	Ask for estimate, based on time and difficulty	
Appointments made for the year	Want to have all your grooming scheduled for the year? We can set this up for you!	\$10 per family (not per dog)
